PROPERTY INFORMATION:

Tofo is a coastal town in southeastern Mozambique. It's known for the curved Tofo Beach and nearby coral reefs. Huge manta rays circle at Manta Reef, a well-known "cleaning station," attracting small fish that feed off the rays' parasites and other debris. Dolphins, whale sharks and migratory humpback whales also swim off the coast, in the waters of the Indian Ocean. To the north are the resorts of Barra Beach. Property for sale consists of 2 x Houses. The houses consist of 3 balconies each, 2 bathrooms each, 4 bedrooms each, garden, 3 balconies each with sea view, private beach path, on site staff quarters, drinkable bore-water and comes fully furnished. Presently rented out for holiday accommodation. The purchase of these 2 houses comes with an existing website and established Air Bnb.
